Dear Ms. Cole:

Thank you for your guidance on the phone March 24. As I said, I own considerable property in Arizona, served by Citizens Utilities Company and its subsidiary. Also, I have a multimillion dollar action pending against Citizens in the federal court.

I understand there are many pending Citizens' cases on your docket, concerning (1.) proposed rate changes, and (2.) the divestiture by Citizens of portions of its facilities and certificates, and (3.) the acquisition by Citizens from others of facilities and certificates, within and outside Arizona.

Even putting the federal action to one side, rate changes and transfers of certificates are matters that could adversely affect me, and adversely affect the use and value of my many properties.

Please enter me at once as an intervenor, in every pending case which falls into any of the above three categories. It was good to learn that no prospective intervenor has ever been denied.

If you ever need contact me by phone, my number is 480-941-1500. Your courtesy is appreciated.

Very truly yours,

Marvin Lustiger
